Work Experience

Arab African Intrnational Bank (AAIB Digital Factory New Cairo Tagamoa 5) – (June 2023 till now)

- **Developed and Maintained APIs :** Designed and implemented RESTful APIs for various applications.
- **Microservices Architecture :** Played a key role in developing and deploying microservices.
- **Authentication and Authorization:** Implemented JWT-based authentication and authorization.
- **Data Security :** Utilized hashing algorithms to secure sensitive data.
- **Database Management :** Managed and optimized MongoDB databases, including designing schemas,indexing.
- **DevOps** Integrated pipelines to automate testing and deployment, improving development efficiency.
- **Troubleshooting and Debugging :** Diagnosed and resolved technical issues.
- **Collaborative Development :** Worked closely with cross-functional teams to understand requirements, provide technical solutions, and deliver high-quality software products.

Alexon group (October 2022 till May 2023)

- Developed and maintained web applications using React.js.
- Styled components using CSS, SCSS , taillwindCSS , bootstrap.
- Implemented user authentication and authorization mechanisms
- Managed state in applications using Redux, including middleware such as Redux Thunk to handle complex state logic.
- Fetched and managed data with React Query, improving data handling efficiency and reducing loading time.
- Implemented form handling with Formik, and improving user experience.

Projects

Portfolio Link: Portfolio Link

Amazon-clone: developed using React & Redux and node , mongoobdb
Github: BackEnd , FrontEnd , Demo

Movie App : movie website like Netflix using React & Redux & fakeApi
Github : Repo , Demo

Landing page: Landing page using HTML & Css & JavaScript
Github : Repo , Demo

Education

6-month Intensive code camp Internships

- Fill Stack mern | mean devlopment track , information Technology Institute (ITI)& Arab African International Bank (AAIB)

Psychological health Dibloma

- Psychological health of disabilities (2018 - 2020) Kafr El-sheikh University

alahzer university

- arabic and islamic studies for girl, Islamic Studies Department (2013 - 2017)

Ongoing Learning

Arab Academy for Science, Technology & Maritime transport
Graduate Diploma in Computer Science (2024 - till now)
Next js : Next Auth , images upload , React hookform , mongo db , bcryptjs (Repo , Demo)

skills

Frontend Technologies
- Html 5
- Css 3 (bootstrap , taillwind)
- javaScript
- ECMAScript
- React
- Redux & toolkit
- TypeScript

Back-end Technologies
- Node js
- express js
- Micro Service

Datbase
- MongoDB
- mongoose

Other Technologies
- git & github
- designing tools [Figma , Adobe XD]
- Agile
- Docker
